BEHIND THE SCENES

For the perfect outdoor setting for our Spring/Summer Catalogue, we looked no further than our own backyard. We set out to explore Boise, our City of Trees, to discover the brightest sunrises, the deepest sunsets, the wildest flowers and the tallest pines. This season is all about the beauty of real life, so we only photographed real people — actual Scentsy fans — experiencing our new products, and let their stories fill each page.

Get a closer look at [youtube.com/user/Scentsy01](https://www.youtube.com/user/Scentsy01).

The Scentsy Mission

To bring value to the world by providing an industry-leading, family-friendly business opportunity selling creative, artistic, high-quality products that **Warm** the Heart, **Enliven** the Senses and **Inspire** the Soul.

NOTES from

OUR PERFUMERS

A deep love of fragrance is essential to Scentsy's story. We work with the best fragrance houses in the world to design fragrances that will delight your senses, bring back a precious memory or take you somewhere exciting and new.

"Fragrance is all about the story it can tell. No different than a favourite book or inspirational movie, fragrance — when done right — can take you on an amazing journey."
— Scentsy perfumer

Our perfumers are devoted storytellers, weaving light-as-air top notes, rich heart notes and lingering base notes into beautiful fragrances to be experienced and treasured.

These fragrances — their stories — take us on a vivid journey.

Discover the inspiration behind some of our most evocative new fragrances:

Raspberry Bush

"My grandmother had a very large garden — everything grew wild. The raspberries were my favourite, and they spilled into the herb garden around the mint leaves she used for tea."

You're My Buttercup

"I was inspired by childhood, when my cousins and I would hold buttercups under our chins. As it goes, the brighter the yellow colour under your chin, the sweeter you are!"

Go Wild (flowers)

"This fragrance represents living every day to the fullest. Full of vibrant colour and energy, this fragrance evokes the user to just go wild!"

..... MIX, MATCH AND DESIGN YOUR OWN SIGNATURE FRAGRANCE

Scentsy Signatures

Combine the Scentsy fragrances you love to create an entirely new scent experience.

To inspire you to mix and match, we've listed some of our favourite blends — Scentsy Signatures — throughout the fragrance pages.
